Wow George, I can't thank you enough for reviewing the letter. I'll check out your comments in the morning. I really really appreciate it!

I was in an all day Health & Safety training course today... 8 hours I'll never get back but fingers crossed I'll be doing field work this summer so had no choice.

Have a great evening – and thank you!!!

Holly

Hey Holly – great letter: reads well and provides many important potential edits. You might consider noting which suggested changes will align the tribe's WQS with CWA/EPA requirements – or just ID those to Ronni separately. Very helpful of you incorporating all the tables so Ronni can cut/paste things. She can also take the tables into their document as attachments – her choice. Most of your yellow-highlighted comments look great – couple suggestions in the attached (your file back with gp on the end of the filename). Might want to do another read-through for typo's.

Hi George, I hope you had a great weekend!

Thank you so much for agreeing to look at my letter to Ronni on Standing Rock's draft WQS. I'm sure it needs some work. Highlighted areas could use closer scrutiny. The letter is the first ten pages - the rest are attachments.

Also, Mario sent me a recent version of the WQS tribal template which was just revised in April. It was helpful. I'll send it to you and Maggie this week.

I can't tell you how very much I appreciate your input. I know how busy you are.

Have a great evening!

Holly

Sure Holly – you bet. Just send it along when you're ready.  
If I don't talk with you tomorrow ... have a fun Memorial Day weekend!

Hi George, I hope all is well!

I'm getting close to finishing the letter to Ronni on my review of Standing Rock's draft WQS. There are a couple of sections I'm struggling with (DU and Antideg). Would you be willing to peruse the letter - or pertinent sections of the letter - to make sure I'm track?

Thanks for considering it. I hope to complete it in the next day or two.

I'll probably miss the happy hour match-the-garden skype call this afternoon but have a great time!

Holly
